DAC P of understanding and support for the goal which this government and its IOP Latin American allies are seeking in the Caribbean area. INR RMR Although we have recently been very much concerned with Soviet. efforts to subvert this hemisphere. I can assure you that we have not lost sight of the very serious problems which continue to exist in the

I am naturally gratified by the withdrawal of Russian missiles from Cuba but, as you are aware, the problem of the bomber aircraft remains. We are also working hard to reach agreement on a system of international inspection which would prevent further threats to the security of the United States and the countries of Latin America.

I am grateful to you for your letter of suppost and should like to
